Establishment consisting of four sub-overseers sanctioned in G.O.No.L.7706-9/L.B.12-36-26 dated 18th March 1938 - for the execution of the Kolar District Board works.

Sir,

With reference to the above Government order in the matter of sparing the services of four experienced Sub-overseers of the Public Works Department to the Kolar District Board, I have the honour to state that Engineering graduates who are designated as Surveyors, would be more useful, for the special kind of work, such as Surveying, design of works, preparation of estimates, execution of the road works, etc., in the Kolar District.

3. In these circumstances, I request that para 2 of the Government Order may be kindly caused to be modified, as suggested in the margin.
